

Restorative Justice

A Framework for Fresno

Endorsement

[Name of Agency, Institution, or Organization] endorses this framework by the following statements and actions:

1. By [motion duly made, seconded, and approved, or by executive order], we approve the Framework in principal.
2. By motion duly made, seconded, and approved, or by executive order, we adopt the Framework as our organizational philosophy concerning how we respond to complaints, violations, misbehavior and conflicts.
3. By endorsing this Framework, we agree to conduct a self-assessment to determine if we are executing the Framework principals.
4. We agree to participate in (or develop or initiate) a Restorative Justice Pilot Project that will (a) commit all or part of us to training in restorative justice principals and applications and (b) will commit us to implement appropriate restorative justice practices in our organization.
5. We agree to contribute program examples to the Restorative Justice Framework committee for inclusion in the Framework appendices.
6. We agree to contribute data and information to continuing restorative justice research efforts.
